T ADDRESS:

This tax organizer has been prepared for your use in gathering the information needed for your 2017 tax return.

To save you time, selected information from your 2016 tax return has been entered in this organizer. Please line through any information that does not apply to your 2017 tax return.

If we may be of further assistance, please contact us at your convenience.

January 2018

All of us at Buckner Wadsworth & Associates hope that we find you and your family in good health and send our best wishes for the New Year. It is once again our pleasure to assist you with your income tax needs.

We want you to use the Tax Organizer as a guide in gathering and presenting your information to us. Although the full completion of the organizer is encouraged, it is not practical in all cases nor is it required. Included in the Tax Organizer are notations as to what income and deductions you had on your 2016 tax return. In our return preparation process we compare last year's income and deductions with the current year data. If you have significant changes from last year, please let us know in advance or make notations on the organizer.

The professional standards we adhere to strongly recommend the use of a written engagement letter with our individual tax clients. Your organizer includes two copies of this letter, one for your records, and one to be signed and returned to us.

Also included in the Tax Organizer are a series of questions which we need you to answer. The purpose of this is two-fold:

To alert us that you may qualify for additional deductions and/or tax credits - as you may be aware, there are several targeted tax incentives that you may or may not be entitled to given your specific facts and circumstances. The questions in the organizer allow us to analyze your situation so that we can determine if you qualify for any special tax incentives.

Over the last few years the IRS has created a series of additional compliance and reporting requirements. Answering the questions will help ensure that a complete and accurate return is filed.

We realize that many of these questions are technical in nature. If you do not understand the purpose or nature of the question, please make a notation so that we may review those issues with you.

To insure that we have the necessary time to accurately complete your return we ask that you contact our office no later than March 23, 2018. This deadline allows us time to schedule your work and make sure a quality return is completed. Even if you do not have all of the information necessary to complete the return we ask that you make arrangements to provide us with the information you do have at this date.

Additionally, we will not file an extension of time to file on your behalf unless you contact our office.

As always, we want you to know that you are important to us and we appreciate your business and referrals.

Sincerely,

Buckner Wadsworth & Associates, LLP

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2017 federal and requested state income tax returns from information which you furnish us. We will not audit or otherwise verify the data you submit, although we may ask you to clarify some of the information. We will furnish you with questionnaires to help you gather and organize the necessary information for us, in order to keep our fee to a minimum, and to assist you in keeping pertinent information from being overlooked.

It is your responsibility to maintain, in your records, canceled checks and other documentation necessary to support the data used in preparing your tax returns, including but not limited to auto, travel, entertainment, and related expenses and the required documents to support charitable contributions. If you have any questions as to the type of records required, please ask us for advice in that regard. It is also your responsibility to carefully examine and approve your completed tax returns before they are filed. We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, or for resulting taxes, penalties, and interest.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We are responsible for preparing only the returns listed above. Our fee does not include responding to inquiries or examination by taxing authorities. However, we are available to represent you and our fees for such services are at our standard rates.

We will use our professional judgment to resolve questions in your favor where the tax law is unclear if there is a reasonable justification for doing so. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will explain the possible positions that may be taken on your return. We will follow whatever position you request, so long as it is consistent with the codes, regulations and interpretations that have been promulgated. If the IRS should later contest the position taken, there may be an assessment of additional tax plus interest and penalties. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred. We assume no liability for any such additional penalties or assessments.

The charges for our work are based upon the time involved, degree of responsibility assumed, and skills required, plus direct expenses. All invoices for services are due when submitted. If an invoice for services is not paid when due, we reserve the right to cease work and withdraw from the engagement. We will charge interest on the unpaid balance of any invoice at the monthly rate of $1 \frac{1}{2}$ % which is an ANNUAL PERCENTAGE RATE OF 18%. In the event that any collection action is required to collect unpaid balances due us, reasonable attorney fees and expenses shall be recoverable.

It is our firm's policy to retain copies of your tax returns for seven years, after which they will be destroyed.

Lastly, we appreciate your business and referrals, and are pleased to have you as a client. We look forward to a long and productive relationship.

If the above sets forth your understanding, please sign this letter and retain the other copy for your records. In the absence of your signature(s), the return of the completed tax organizer or other information necessary for the preparation of your return shall be deemed to be acceptance of the terms embodied in this engagement letter.

Sincerely,

Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return	
Do not electronically file the state return(s)	

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
